

Dear Parents,

It brings us great joy to let you know that The Future Foundation School has signed up for this year's edition of the National Young Authors Fair, brought to us by BriBooks.

The National Young Authors Fair is the world's largest literary event where children will learn the art of writing and publishing from some of the world's best minds, in their journey to become globally published authors.

This is a golden chance for our students to:

- Write, publish, and promote their own book and become young entrepreneur authors.
- Win awards and recognitions at various levels.
- Secure an ISBN for their book from the Ministry of Education.
- Grab prizes like MacBook Air, Kindle, Tablets, and Amazon vouchers.
- Get highlighted in major media outlets like Times of India, Disney International HD, NDTV, and Crossword.

The Jury Members for this year's edition of the National Young Authors Fair are:

- Brett A. Hurt, CEO and Co-founder at Data.world
- Vered Schnabel, Author - Time To Begin at Journalist
- Saul Singer, Author - Start-up Nation
- Naor Gilon, Ambassadors of Israel to India

The National Young Authors Fair is entirely FREE for schools and students.

The following is the customised registration link for our pupils. Please register your child by 10th November 2023.
